Better Programs for the Leasing Industry

## TURBO-Lease Software

There are two ways to purchase **TURBO-Lease**

### Option 1:

TURBO-Lease with Unlimited Lease Capacity      \$12,500.00

### Option 2: (Pay as you grow)

For leasing companies with less than 500 leases, **TURBO-Lease** can be purchased by lease capacity. There is a \$35.00 handling fee each time the capacity is increased. If you ever purchase a total of 500 leases, your capacity becomes unlimited.

Based on \$25.00 per lease

Examples:

50 Lease Capacity	\$1,250.00
100 Lease Capacity	\$2,500.00
200 Lease Capacity	\$5,000.00
300 Lease Capacity	\$7,500.00
400 Lease Capacity	\$10,000.00
Unlimited Lease Capacity	\$12,500.00

## Add-On Modules

Asset Tracking	\$1,000.00
Notes Payable	\$1,000.00
Simple Interest Loans	\$1,000.00
ACH / EFT / PAP Processing	\$500.00
GL Interface	\$500.00
Emailed Billing	Varies

## Software Updates and Support

Support is included for the first 90 days. A yearly software update and support agreement is then available. This includes telephone support and version releases as developed. Any support request made without a software updates and support agreement will be billed at \$90 per incident.

### **TURBO-Lease**

50 to 99 Lease Capacity	\$365.00 per year
100 to 149 Lease Capacity	\$430.00 per year
150 to 199 Lease Capacity	\$500.00 per year
200 to 249 Lease Capacity	\$570.00 per year
250 to 299 Lease Capacity	\$640.00 per year
300 to 349 Lease Capacity	\$710.00 per year

Simple Interest Loans	\$125.00 per year
ACH / EFT /PAP Processing	\$ 65.00 per year
GL Interface	\$ 65.00 per year
Emailed Billing	Varies

## Hosting for remote access

**TURBO-Lease** can be hosted in the Cloud. This allows your company remote access to your system from anywhere there is an internet connection.

One time Setup Fee	
2 users	\$ 475.00
3 users	\$ 675.00
5 users	\$ 950.00
10 users	\$1,500.00
Unlimited users	\$2,500.00
Monthly Usage Fee	
2, 3 and 5 user levels	\$ 85.00
10 and Unlimited user levels	\$ 110.00

## Upgrade Pricing

If your company does not have a paid current software update and support agreement and are using an older version of **TURBO-Lease** you may upgrade at any time based on the pricing schedule below.

Please Note: It is much more affordable to keep a software update and support agreement paid current than to continually purchase upgrades.

### **TURBO-Lease** Upgrade Pricing (from version 5.3.1)

50 to 99 Lease Capacity	\$500.00
100 to 149 Lease Capacity	\$750.00
